*If you give up what you love for Allah, Allah will give you what love much more.  
If you give a dollar in the name of Allah, Allah insha' will make the means to replace for you the money you spent and will insha' reward you in this life and in the life hereafter.  
Support your mosque (masjid), and you will insha'Allah receive the reward of everyone who mentions Allah's name in it. And that is the best of investments.*
